

WFO ALUMNI NEWSLETTER

VOL 1 NO 2

DECEMBER 1982

The holidays are upon us already and our reunion is only seven or eight months away. First, a summary of the responses to our questionnaire.

In favor of a reunion Yes 29 No 1

Where should it be held?

When should it be held?

San Francisco area	9	June 83	9
Sacramento	12	July 83	6
Denver	4	Aug. 83	8
Tahoe	2	Anytime	7 (Summer 83)
Anyplace	2		

Based on these responses, we seem to be left with at least four alternatives. In order to narrow the choices and to start making hotel arrangements, we propose the following options:

- Sacramento June 17-19 1983
- San Francisco June 17-19 1983
- Sacramento August 19-21 1983
- San Francisco August 19-21 1983

Please let us know which of the above you prefer. The choice will be determined by the majority vote no later than Feb. 1 1983.

In our next newsletter, Feb. 83 we hope, we'll let you know the results and we should have some information on room rates and other logistical matters. since it seems probable that Sacramento will be the favorite choice, we will solicit help from anyone in that area at this time. We need local arrangements type of help since neither of the remaining organizing committee is very familiar with the Sacramento area. If you are interested you may call either Mike Long at (415) 638-4075 during normal business hours PST or (415) 233-5871 evenings and weekends; or Bart Bias at (415) 953-1378 days and (415) 391-9027 evenings or weekends PST.

We hope that this edition is in time for your holiday mailings. Please hold your responses until after the holidays and send us any new or updated names and addresses you get from your holiday mail so that we can update our files.

We are now an official entity, "WFO Reunion" and can now do business under that name (and cash checks made out to "WFO Reunion"). A reminder to those who have not replied to our earlier mailings, this is a non-profit venture using volunteer help. We asked for a \$5 donation to help defray costs and to keep your name on the mailing list.

If you find a RED X on the envelope it indicates that we haven't heard from you. We will assume you are not interested in receiving this newsletter unless we hear from you before the next mailing. In any case we will keep your name on the master list so

that others can contact you. Our mailing list is well over 100 names now and producing a mailing is no minor chore. What makes it all worthwhile are the kind words of encouragement that many of you have expressed. We appreciate hearing from you, keep up the correspondence; we can use some more material for the next newsletter.

PERSONNEL NOTES

Marion Chambers Jordan writes that she is retired and is doing nothing but fishing, skiing, camping, and enjoying her new home and husband. She recently caught a 19" 3 1/2 lb. Rainbow Trout and says "eat your heart out Bruce Wheeler". Marion informs us that "WFO" went out of use in 1960!. That helps date the organizing committee but we are an obstinate bunch and besides we already paid for the checking account and rubber stamp!!!!

John Altenberg is an Ophthalmologist (MD, PA) in Tampa florida. John would like to know the whereabouts of "Momma Kay".

Herb Dettmer writes that he retired in 1976, bought a motorhome and travelled for a year before settling down in the Northwest. Herb and Jane are enjoying the retired life but are very active in community affairs. Herb is President of the local Lions Club and extends a cordial invitation to all WFO'ers to visit if they are in the vicinity of Everett, Washington.

Reid Samuelson, "Sam", is retired but his wife is still an active Lt. Col. teaching ROTC at the Univ. of Conn. They live in the backwoods of Connecticut where he spends his time "in such intellectual pursuits as cutting firewood, raising a couple of pigs, and restoring antiques".

Herbert "Dick" Dickinson retired in February 1981 after 30 years and a few days. He is enjoying "a little travelling, a little fishing, ... gardening, etc. etc. and the time flies by".

We have some more but will have to wait till next edition, Xmas is upon us. How about some more input?

Even though our mailing list contains 120 names, there are still many people whom we have known in the past and have lost track of. Beginning with this issue, we'll list those names please send us any information and we'll publish it.
