??Jul 2008: HOSTONCE.com failed to keep our website operational 24/7 on their servers despite months of attempts
    by Bob Fitzgerald to get them to respond and keep our site accessable or release our domain name (URL)
    "AFTACWEST.org" back to him.

12Sep 2008: Bob Fitzgerald contracted with a new ISP hosting company "**1and1.com**" to host our website with a new
    URL <**www.AFTACWCC.org**>. All site design, data and files were reestablished by Bob on the new servers.

29Jul 2019: "**1and1.com**": now doing business under the name "**IONOS.com**" with all our data intact on their servers.

Note: Most all of our "**Depot Fallout**", "**WFO/1155th/TOD**", "**WFO Alumni**", and other newsletters, have been converted into Adobe.pdf documents and are available from links on our '**Fallout**' web page. I hope someday to scan and convert the rest of those of which I have original copies in my files and then publish them to our web site as well. So please check our 'Fallout' page periodically... *Bob Fitzgerald, WCC Webmaster & Asst. NL Editor.*
