## **“WAY BACK WHEN” – NEW SERIES OF ARTICLES**

By Dale Klug, Editor

We're starting a new series of articles for the newsletter called "WAY BACK WHEN". This will be patterned after the Florida Chapter's series in the Post Monitor called "B.S. (Barely Substantiated) TALES". We're inviting everyone to submit articles with stories from days-gone-by at Detachments, OLs, Depot, Squadrons, Headquarters or TDYs. So crank up your "WAYBACK machines" and send us an article. Remember to keep all the inputs unclassified. E-mail all proposed articles to me at: [FalloutEditor@AFTACwest.org](mailto:FalloutEditor@AFTACwest.org)

## **WAY BACK WHEN – WEST COAST CHAPTER HISTORY**

By Mike Long [mikelong@mindspring.com](mailto:mikelong@mindspring.com)

I wrote the original newsletter and started the ball rolling for the first reunion in Sacramento. However, the people in Sacramento did most of the work, Al Pavik comes to mind. I simply gathered the names and addresses and mailed out the newsletter. I used the mainframe computer at the company I was working for in Oakland, CA. No PCs back then.

Once it became clear there was enough interest in having a reunion, the Sacramento folks took over. Bart Bias opened the bank account at the bank he worked at to put the dues into. At some point in time the postage was getting too much for me so I asked for dues to cover my overhead. After the first reunion we turned what was left in it over to the people in Sacramento.

There was also a second reunion later in Sacramento that I was not able to attend. I had nothing to do with that, having turned my mailing lists over to the Sacramento people. Al Pavik is the only name I can recall but there were others.

Bart Bias had nothing to do with the newsletter. The idea of a reunion was mine and I alone gathered the names and addresses and wrote, printed and mailed out the newsletter. If you have copies of these early newsletters I'd sure like to see them. My files were on a computer that I am sure by now is part of some landfill someplace in California.

George Thompson said that he was going to start a local chapter in this area but I never heard from him again. We served together at Team 407 in Xxxx, Xxxxx, 1958 to 1962.

## **YEARLY MEMBERSHIP FEES ARE DUE IN MAY**

Annual membership fee of \$5.<sup>00</sup> is due by 01 May each year. Check your mailing label for expiration date. If there is a notation on the mailing label of this newsletter showing "EXP 2004" then a \$5 renewal fee is due if you plan to continue as an active member. *Your last newsletter will be the one following your expiration date.* Life memberships are available for \$50.<sup>00</sup> and include a laminated

membership card. You can use the Membership application/roster update on the last page of this newsletter or the one on our web site to send with your dues.

Please note that the West Coast Chapter will host the next world-wide reunion in 2005 and planning is underway. Don't let your membership lapse and miss out on important 2005 Reunion information.

## MAIL CALL

**Don't forget our E-mail address:** [TOD.Alumni@bigfoot.com](mailto:TOD.Alumni@bigfoot.com)

**Joe Martinez** E-mail: Thanks for the Southern California weather damage photo. I enjoyed sharing it with friends. I was finally able to reach Marty Pavlakovich. Take care. Joey, [jmmlmm@netzero.com](mailto:jmmlmm@netzero.com)

**Jack Hanley** E-mail: I see that Jim Lee has kept you informed on some of our doings. I thought I'd update more recent events. In January, Jim Lee, Carment Valenti, Bob Ross, Jim Hanson, Bob Teiken, Mike Gilbert, Rich Duda and I met in Hilton Head for three days of golf and three nights of memories of our AFTAC days. We were all one-term airmen who served as 70250s and 70270s Admin Specialists. We were at the 1155th TOS from 1970 - 1974, mostly working in the Admin Division for Col. Allison. Although we hadn't seen much of each other for the first 25 or so years after we got out, we've met in Vegas, Sarasota and now Hilton Head. Our next planned meeting will be in Washington DC for July 4th. Although we spent 4 years in AFTAC, and more than 30 years have passed since then, we all had very fond and very funny memories of our days at McClellan. Many of us hope to make to Sacramento next year for the big reunion. Jack Hanley, [molhan@comcast.net](mailto:molhan@comcast.net)

**George Dalmas** Visited Sacramento: Say "Hello" to everyone back here for me. **Editor's Note:** George & wife stopped at McClellan Park to refuel their RV. They left Florida Feb 15<sup>th</sup> & were going to Yosemite, then Washington state.

**Lance Theby** E-mail: Came across your website while doing a search for related subject. I was assigned to DET 423 in 1980-1981, with Steve Fetro & Gene Yancy, and subsequently departed the military (for college goals and beyond). It was because of the calibre of personnel that make up AFTAC (in particular, the enlisted guys) that I was inspired to do more with my self. I am currently a NAVY LCDR (and staring 0-5/deployment or retirement in the face) and approaching 28 years of military service. It would be interesting to see who is still around in AFTAC. I'd appreciate an application to your organisation Thanks. LCDR Lance R Theby, CHSLWP Assistant Maintenance Officer NAS North Island San Diego, CA 92135 **Editor's Note:** Sent Lance an application. Lance & I were in the same Station Processor course at Lowry in 1979.

**Rich Charles** E-mail: Don't know if you are aware, but **Norris Johnson** passed away on 10 Jan. Best I remember, Norris was in 1155th from middle 1964 to about end of '67, in the Engineering Branch. Worked with MSgt George Greco and Buzz Sawyer. Wish I could be of more help. Norris and wife Shirley were avid bowlers who bowled with the 1155th Mixed Bowling League on base.
