## AFTAC ALUMNI MEET AT AEROSPACE MUSEUM

*by Steve Fritts, Director at Large*

On April 18th about thirty alumni met at the Aerospace Museum of California (AMC) for a special presentation about the museum's capabilities and offerings. They learned that AMC provides not only a museum for people to view aerospace history, but also is a place that teaches students of all ages about scientific subjects. AMC's Aerospace Learning Center provides local schools and organizations a curriculum that teaches students fundamentals of weather, navigation, aircraft mechanics, and even lets the students fly a simulator. These subjects reinforce schools' scientific courses. AMC rents out the facility for meetings, banquets, birthdays, just about any soiree you can think of, with a backdrop of aircraft and aerospace items. The alumni found out about how they can help AMC by being a volunteer, donating their time or money so that the mission can carry on. The motto –Explore, Experience, Engage-- sums up the museum's wish for anyone who walks through the doors. The alumni group got to do just that as they were given tours right after the presentation.

## WORDS FROM THE PREZ

*by Charlie Penn, President*

I want to thank everyone that attended the picnic we hosted at Tempo Park. Over 50 of you weathered the new location and actually found the park. The venue worked well, thanks to Dennis and Dave for burning the meat and Butch, once again, did his usual great job of coordinating this annual event. A little reminder, next year's picnic will be in September due to our hosting of the reunion in May. What a perfect segue to the reunion.

The reunion committee to select the venue for our 2011 reunion urged the Board to select the Lions Gate facilities to host our event. Many factors entered in to this selection; price, facilities, location, and availability. As it stands right now you can rent a room there for \$89, two bedroom suite for \$129 and even go for the 4 bedroom suite (Commanding General's home) for \$349 per night. The dates for this event are May 12<sup>th</sup> – 15<sup>th</sup>, 2011; Thursday the 12<sup>th</sup> would be for early registration/hospitality suite activities, Friday would be a no host reception with hors d'oeuvres at either the "O" club or the General's Home. Saturday would be the banquet at the old NCO club, Air Museum, or "O" Club. The reason for not being able to pin down the actual location for these events is we need to have a good feel for attendance. There will be ancillary activities planned but these haven't been formalized as yet. **Please get the word out that the AFTAC Worldwide Reunion will be in mid May and to put those dates on your calendar. Keep checking our website, [www.aftacwcc.org](http://www.aftacwcc.org), for this gala event's latest news which will include phone numbers to make your room reservations and the reunion registration form.**

Sadly, the passing of Orville Pritchard left a vacancy on our Board of Directors. Orv adroitly served as our Assistant Chairman of the Board and we will sorely miss him. On a brighter note the Board elected George Thompson to fill the vacant position. George will be bringing his vast knowledge of AFTAC and has been instrumental in planning past reunions; his expertise is hospitality suites. Thanks for "volunteering" George!

## **WAY BACK WHEN**

*by Dale Klug, Editor*

We're running a series of articles called "WAY BACK WHEN". They are patterned after the Florida Chapter's series in the Post Monitor called "B.S. (Barely Substantiated) TALES". We're inviting everyone to submit articles or pictures with stories from days-gone-by at Detachments, OLs, Depot, Squadrons, Headquarters or TDYs. **Crank up your "WAYBACK machines" and send us an article.** Remember to keep all the inputs unclassified. E-mail all proposed articles to me at: [FalloutEditor@AFTACWCC.org](mailto:FalloutEditor@AFTACWCC.org) or snail-mail to: AFTAC Alumni Newsletter Editor, P.O. Box 3974, Citrus Heights, CA 95611-3974. Please note on envelope it's for **Newsletter Editor**.

***Editor's Note: The following article was sent in by Loyd (yes, that's one "L") Davis, a former "F Trooper".***

Some time in 1969 when I was assigned to F Engineering, the ops guys complained that their "camera on" pilot lights were too small and too dim to be seen well during a mission. To address this problem, I had a couple of the guys draw up a new camera motor panel that used the (new in those days) computer back lighted switches. We made up a test panel and installed it on the aircraft and stood by while the ops guys checked it out on a training mission. When they returned from the training mission, they complained that the lights were "too bright!" I think we went back to the old camera motor panel and the complaints ceased. That's what I call an early example of the old saying "watch out what you wish for, you may get your wish." Loyd E. Davis, 1476 Madera Hills Drive, Bountiful, UT 84010-1523, Email [K8EI@ARRL.NET](mailto:K8EI@ARRL.NET)

**ABBOTT, John Milton, MSgt, USAF, Retired.** 7/5/1937 to 3/3/2010, Wednesday, March 3, our family was devastated by the unexpected loss of John Abbott, a great husband, father and grandfather. John grew up in the Northwest with his parents, Al and Helen. He graduated from Seattle's Garfield High School in 1955. On his 18th birthday, he committed to four years with the U.S. Marine Corps, then served 18 more with the U.S. Air Force. In addition to five states, John's family accompanied him to overseas duty assignments which included Iran, Pakistan and Turkey. After over two decades of military relocation, John retired from the Air Force in 1978, returning to his native home, the Pacific Northwest. He earned a Bachelor of Arts at Portland State University and was employed by Konica. John stood upon a strong foundation of values and was the honest man that many aspire to be. With integrity, he was proof that a man does not require great wealth or title to be admired by many. John wasn't a griever, rather a man of principle. He was a dedicated father

who taught us fairness and discipline and a loving husband whose devotion to Carolyn grew steadily with the years. A proud patriot and man of peace, he loved America with unwavering loyalty. John belonged to many organizations which included: TREA; First Marine Division - Columbia Chapter; American Legion Post #1; Air Force Sergeants Association; AFTAC Alumni Association; Loyal Escorts of the Green Garter; St. Therese parish; and Meals-On-Wheels. John's memories will be shared by his survivors - his wife of 50 years, Carolyn; his children and their spouses, Markham and Dorothee, Margaret and Eric and Pam. There will be a brief reception and then a military burial ceremony in Willamette National Cemetery. In lieu of flowers, John and Carolyn would appreciate donations directed to the Amberside Meals-On-Wheels program. **Published in The Oregonian on March 6, 2010. ## Who Said That??

- >> If God had really intended men to fly, He'd made it easier to get to the airport.
- >> The world is a book, and those who do not travel read only a page.
- >> Like all great travelers, I have seen more than I remember and remember more than I have seen.
- >> Summer afternoon; to me those have always been the two most beautiful words in the English language.

**Jack Jernigan** Email: 31 May 2010. I just found the Post-Monitor 2006 JUNE issue on line. It was only by a search of my dad's name and the sq that I found a story published within that issue which only mentioned him most briefly. My dad was Col. Bill Jernigan, commander of the 1155th from 1962 through 1967. He passed in 1983 and my mother passed in 2000; my brother passed within months of our mother. I'm the last of the clan and I want to dig up what I can for my son as he was born in 1990 never knowing his grandfather. My dad, like any old vet, never really spoke of his service to me in any detail and my son now has an interest in the family history that I can't completely address. If you can help me connect with people who knew my dad and can share some stories I'd be grateful. Any help or direction is appreciated. Thanks. B.F. **MSgt. Patrick Murphy, AFTAC PA** Email: 18 May 2010. The Air Force Technical Applications Center commander relinquished command in a ceremony here May 17. Col. Lisa Ann H. Onaga, who had commanded AFTAC since August 2008, departed for a new assignment in Hawaii as the Pacific Air Forces Director of Intelligence, Surveillance and Reconnaissance. Her replacement, Col. Aaron M. Prupas, is scheduled to assume command of AFTAC in June.

**Joe Johnson** Email: 15 May 2010. I checked my e-mail after the picnic today and had an e-mail from WCC LIFE member Roy Taylor. He just finished 3 weeks in the hospital with a hip replacement after he fell and broke it. He is back on the computer now. Might want to wish him well in the next newsletter.
